28th April 2023

2 weeks into Summer Term and it is wonderful to see how enthusiastic our children are with their learning, there is a real buzz around school with children talking wonderfully about wanting to improve and achieve as much as they can in the final term of the year.

Parking

Thank you to all of those who are being considerate of our neighbours when dropping off and picking up. We have noticed an improvement with less congestion and dangerous parking. Just a little reminder, at drop off please do not pull up outside school to drop children, this causes the road to become blocked and we have had children crossing the road behind their car which as we know can be very dangerous.

Coronation

We are really excited about the Coronation and being able to witness it, for what may be for some, a once in a lifetime event. On Friday 5th May all children will be on the playground at 3:20pm performing some Coronation songs that we have learnt, please do join us. All children are also welcome to wear red, white and blue on this day.

Governors

We currently have space on our board for both parents and other interested people who may have a range of skills to support us continuing to strive to be the best that we can be. If you are interested in becoming involved please do contact us for more information.

Bikeability

Next week we have Bikeability for members of Blackman Class. Those involved have already been contacted, please push bikes into school on Tuesday and do not forget your helmets.

School Uniform

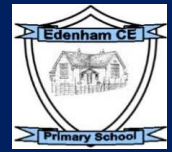

As the glorious British weather continues, please do be mindful of what your children are wearing to school and making sure their uniform is appropriate for the predicted forecasts. This does include Outdoor Education when we aim to be outside even if the weather does change.

Gardening Club

Our gardening club have done a fantastic job with Mr Alder preparing our scarecrow for the competition hosted by Willoughby Foods. The club have also been busy planting and looking after our allotment using the poly tunnel to ensure everything stays on track. If anyone has any hand tools that are no longer being used, they would be greatly appreciated by the gardening club.

Reading

On the reading section on our website (found under the curriculum tab) you will see a reading for pleasure link. By following this you will find yourselves on our Padlet, this a place where children can share reviews of stories they have read or heard. It would be great for you to access this with your children and share reviews of stories you may have read with them at home. We also welcome reviews from parents of books that you have read

Coronation Exhibition

On Thursday 25th May, Grimsthorpe Castle have very kindly allowed us to view their coronation Exhibition. In order for us to attend this, we ask that all children are dropped off at Grimsthorpe Castle on the morning of Thursday 25th May between 8.45am -9.00am.
