Wow! Another year finished with so much to celebrate. Although we cannot wait for a rest, and to spend time with family and friends, we are already looking forward to all that September will bring. Have an amazing Summer, enjoy each other's company, and make time to just be you. Also, don't forget, Mathletics and Reading Eggs can still be accessed over the Summer to keep those brains busy!

## **This year in numbers:**

**96** fantastic children at the start of the year  
**108** fantastic children at the end of the year  
**83** fantastic families  
**12** amazing members of dedicated staff  
Attendance across the year: **95%**  
**Over £5,000** raised for various charities and PSA  
**Over 25** virtual and in-person visitors  
**565** hours of Mathletics completed  
**489** hours of Reading Eggs complete  
**4998** House Points earned

## **Thank you**

This is a perfect time to make sure all these people, who make the school what it is, know how appreciated they are.

Mr Alder never stops. With an average of over 8,000 steps each morning, he makes sure rooms are set up for phonics every morning, for lunch every day, he makes sure the school is clean and tidy and everything is where it should be. Not only that, but he gives up his own time each week to make our garden looking fantastic and give children the fantastic opportunity see how food ends up on our plates.

Mrs Haddow, every morning, brings a smile to the gate come rain or shine, making sure each and every child is greeted just how they deserve to be, then at lunch times making sure all of our children have a great break.

Mrs Burnside and Miss Wade are always at the end of the phone or e-mail to answer questions or point you all in the right direction when

needed. But, so much more than that, they support us all in school so we can give the children the best educational experiences that we can. They organise us, support us and are always there to find out things if we are not quite sure where to go.

Mrs Wilson, Mrs Locke and Mrs Copping do an amazing job with phonics and supporting our children with their learning, doing everything (and being everywhere) that is needed. They go above and beyond to make sure all our children get the education and support they need.

Mrs Robinson, Mrs Moulding, Miss Moylan, Miss Jarvis, and Miss Glover – our teachers. They care so, so, much for your children. Not only do they want them to make as much progress as they can, but they also want them to be the best people that they can, by following our vision of developing that love of learning and being prepared for the future. A lot is asked of them, and they never shy away from challenges knowing full well that the children will benefit.

Our PSA! In particular Katy, Laura, Claire, Caroline and Claire. Since setting up the PSA in such a short space of time, the effort and time they have given is incredible. So much goes on behind the scenes to make even the smallest of events happen and we appreciate it so, so much. Alongside this, a huge thank you to everyone who has given up their time and efforts to make sure these events can be run as successfully as they have.

It is also important to thank our wider community. People within the village, the church, businesses further afield and various organisations have all given up time, effort and finances to help us strive to be the best that we can.

Last but certainly not least – our children. They truly amaze us each and every day, they are the reason why we do, what we do. I will continue our journey to ensure we are constantly striving for the absolute best for these special people.

## Year 6

Our amazing Year 6s said goodbye to us today, they have been wonderful ambassadors for our school and we are sure they will go on to achieve all their hopes and dreams in the future.

The summer fayre raised an incredible £1,569.25 which was absolutely fantastic and such a fantastic day.

The amount we have raised since coming together in October is an astonishing £2,748.88. We are in discussions with the school as to how this money will be best used to benefit the whole school community and will look forward to letting you know the outcome. Just a huge thank you once again for your unbelievable support, we have lots planned for next year and will be busy over the summer planning dates for your diary to let you know what we have planned.

Have a lovely, relaxing and fun filled summer.

Katy, Laura, Caroline Claire and Claire

**HAVE A GREAT  
SUMMER!**

## Message from the PSA

Wow and a massive thank you!! What a year!!! The PSA want to say a humongous thank you for all your support this year. Whenever we have asked for your help, you have always stepped up and answered, you have baked cakes, donated raffle prizes, brought raffle tickets, supported discos and Christmas events and also supported a massively successful summer fayre to celebrate the school's 150 year birthday. A massive thank you to all the volunteers who have helped us at these events, serving teas, coffee, setting up stalls manning stalls, supporting us with fantastic pony rides. We honestly can't thank you all enough and appreciate all your time, donations and support, without you we could not have a PSA and we couldn't raise the amazing amount of money so that the whole school can benefit from this.
