17th November 2023

We have had a very exciting few weeks with lots going on: playground improvements, fantastic learning, sporting successes and so much more! The trees are starting to look bare and the mornings colder, but that is stopping us, and we continue try our best to make sure every day is fantastic!

British legion

Thank you to all those who bought poppies and other items, as we know it is so important, we keep on remembering and the money raised will be vital in helping the British Legion carry on their good work.

Children in Need

We always love Children in Need and being reunited with Pudsey. Again, it is so important that we raise awareness of these charities and make sure children understand that they can make a difference even it is by sparing a thought for those less fortunate than themselves. Again, all funds raised will make a real difference to those in need.

Football

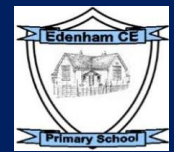

Our Year 5/6 team did a fantastic job at their first tournament. Not only did they represent the school brilliantly, they went unbeaten throughout the day enabling them bring the cup back to Edenham! We are looking forward to children across the school being able to represent us in a range of competitions this year.

Diwali Workshop

Jeffers and Dahl Class took part in a Diwali Workshop this week. They took part in a whole host of activities including trying foods, dancing and gaining an understanding of the celebration. It was wonderful to see children so engaged in their learning.

Explorers

Whilst learning about explorers Dahl Class had a great day immersing themselves into the role. Thanks to Bakkavor, they were able to try a wide variety of new fruits from around the world and even make their own fruit salads!

P.E Kit

We are starting to notice children coming into school on P.E days wearing a variety of clothing. Please be aware they should be wearing the agreed school P.E Kit and this does not include hoodies with slogans, football shirts, or other items of clothing not specified on our website. If there are any problems with this, please do speak to us.

Outdoor Education Kit

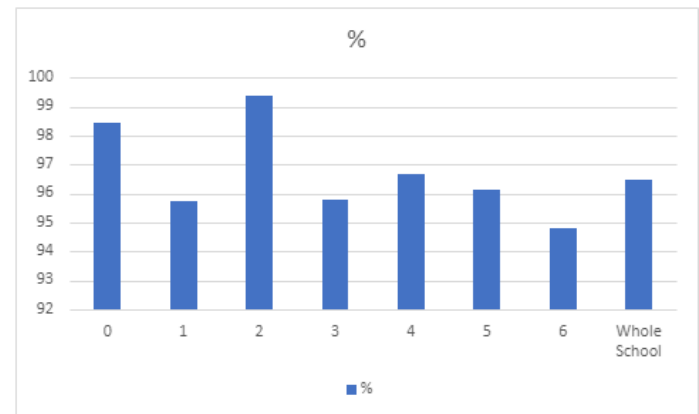

The weather is becoming colder and wetter so now it is important that children are dressed appropriately for Outdoor Education, most importantly they must have a pair of wellies or second pair of shoes with them.

Parking

There have been various examples over the last few weeks where parking has become dangerous. On most days, the village hall car park is left almost empty whilst cars are parked on Krebs or the yellow zig zags. On occasions cars have also been parked on the narrow bridge near the pub, we are very concerned that

an accident will occur – please think carefully about where you are parking.

Attendance

Allergies

Please remember, we are a nut and kiwi free school. Any snacks or items in lunchboxes should not contain any nuts (*this includes nut-based chocolate spreads or cereal bars*) or any products containing sesame seeds.
