

As we leave November behind and step into December, the countdown to Christmas has begun! While the festive season is approaching, we still have plenty of exciting learning opportunities and wonderful experiences planned for the final weeks of term.

Football Tournament

Our Year 5/6 football team made us incredibly proud at a recent tournament. They reached the quarter-finals and were unlucky to miss out in the dying seconds of the game. Throughout the competition, they demonstrated fantastic team spirit and played with smiles on their faces. Well done to all involved!

Celebrating Geography

Each term, we shine a spotlight on a different subject from our curriculum. This term, it was Geography's turn! Children enjoyed an immersive day exploring different cultures, learning about places around the globe, and discovering where we fit into the big, wide world. It was a fantastic opportunity to broaden horizons and spark curiosity. We're already looking forward to our next curriculum day in January!

Classroom Adventures

Both Morpurgo and Dahl Class have had great fun this week celebrating their learning. Dahl Class became explorers for the day, travelling the world from the comfort of their classroom, while Morpurgo journeyed back in time to Ancient Egypt. These experiences brought learning to life and created memories that will last!

Parent Questionnaire

Thank you to everyone who completed our recent questionnaire. There were many positives to celebrate and some fantastic suggestions for improvement. Moving forward, we will be reviewing how we communicate with parents to ensure this is done in the most effective way possible.

Home Learning

It has been fantastic to see the effort children have put into their home learning so far. There are still a few weeks left to choose a task from the homework menu so we can prepare these for our visit to the Exotic Pet Refuge.

Thank You, Bakavor!

A huge thank you to Bakavor for providing a wide range of fruits for Key Stage 1 to use in their food technology project. Support from local businesses makes a real difference to our children's learning experiences.

School Uniform

As the weather turns colder, please ensure children wear suitable clothing that complies with our School Uniform Policy, including on P.E. days. Thank you for helping us maintain high standards.

Allergy Reminder

Please remember that we are a nut-free/Kiwi school. It's vital that no products containing nuts or kiwi are brought in, to ensure the safety of all our children.

Willoughby Foods - Christmas Dinner

CHRISTMAS DINNER
THURSDAY
11TH DECEMBER

(ORDER BY TUESDAY 2ND DECEMBER)

News from the PSA

The Christmas fair is just a week away! Santa slots are now live on class list so you can book yourself in, raffle tickets will go out at the start of next week and will be collected on Friday morning at gate.

Please remember it's non uniform day on Friday the 5th in exchange for tombola prize, please see poster with

We are also in need of volunteers to help with putting up/taking down and manning stalls, so if you can spare a little bit of time that would be great please either let the school or ourselves know.

We are having real issues with our sumup and are still waiting for it to be resolved so it would be great if everyone could please bring cash to the event as we are not going to be able to manage card transfers at the moment,

Thank you again for all your help and support we hugely appreciate it.
