

It is wonderful to finally be able to write this newsletter in the sunshine! As always, I would like to share a little about what we have been up to, as well as what is coming up at Edenham.

Willow Weaving

We are extremely grateful for the support of our talented parents. One of our parents kindly gave up their time and expertise to work with Jeffers Class. Together, they planted willow and began weaving it, which, over time, will grow into a fantastic dome tunnel for the children to enjoy on our field. It is a lovely example of our community working together to enhance the children's environment.

Attendance

It is fantastic to report that our whole-school attendance is currently at 96.5%. This has been recognised as one of the highest figures in the area—something we can all be very proud of. We would now love to see if we can improve this even further and aim to finish the year above 97%. If you are ever unsure whether your child is well enough to attend school, please do get in touch so that we can support you in making the best decision.

Medication

As we move into the summer months, we are aware that some children may begin to struggle with conditions such as hay fever. Please remember that we are only able to administer medication if it has been prescribed. If your child is affected, we kindly ask that medication is given before school where possible. It is also helpful if children come prepared with any additional items they may need, such as hats or glasses, to ensure they are as comfortable as possible throughout the day.

Reading Prize Draw

Following our World Book Day celebrations, two children were the lucky winners of vouchers for the Bourne Book Shop, awarded for reading every day. It has been wonderful to see so many children committed to their reading, and we sincerely hope this enthusiasm continues!

Summer Term Home Learning

Children have brought home their table of tasks for May. Each task reflects our school values, and we encourage you to support your child in completing and discussing them. Don't forget—all completed tables that are returned will be entered into a prize draw!

PSA (Parent Staff Association)

There are many exciting events coming up, and support is essential to ensure they run smoothly. If you are able to spare any time, please do contact our PSA—they would be delighted to hear from you and greatly appreciate any help offered.

Online Safety

As our children progress through the year, they are often given increased access to digital devices. It is important to remember that, regardless of age, all children need ongoing support to ensure they are using technology safely and appropriately. Regularly checking messages, accounts, and privacy settings is a key part of helping children develop good online habits and stay safe. If you would like any further guidance or support with online safety, please do not hesitate to contact us—we are always here to help.

Dahl Class

In Dahl, we have been exploring a range of watercolour techniques in art. Pupils have been experimenting with colour mixing, washes, and layering to create mood and texture. This has helped develop both their technical skills and confidence in using watercolours creatively. The children are really looking forward to creating their final piece!

Just to also make you aware Emily Flemming is now treasurer, who will be a great asset to the team, we thank Rebecca for the treasurer role she had kindly taken and helped on events over the past year. Your help has been greatly appreciated.

Please like our Facebook page for the PSA and see for all events and please share.

Many thanks for all your help and support Without you we couldn't run these events Many thanks The PSA Katy, Laura R, Emily F, Mrs Robinson, Miss Storer, Laura L and Claire

Message from the PSA

Dear parents/carers

We are really excited about the coming months and have excited events planned. The biggest event is the summer fayre on Sunday 5th July. We are all very busy behind the scenes making this a fantastic and fun event. Entertainment, a range of beautiful stalls, refreshments, cakes, raffle, a huge bouncy castle and so much more will be on offer so please save the date and tell family and friends to come and support us for a fun filled day. More details to follow however if anyone would like a stall please contact the school or speak to Emily Flemming who will help you. We also need volunteers to help set up/ Mann stalls and take down, even if it is an hour of your time it would be most welcome, again please either contact the school or one of the PSA in the playground, we are always most grateful for your help and time.

Also please save the date for another disco on Friday 12th July, details will follow shortly.
