Welcome to our first newsletter of our new school year. In these fortnightly newsletters you will see what we have been up to, achievements from our pupils and reminders about up-and-coming events.

Grimsthorpe Outdoor Classroom

This week Morpurgo Class were lucky enough to spend the day at Grimsthorpe Castle. Throughout the day they were able to meet a variety of people including a stone mason, a horse handler a game keeper and learn about forestry. They got an insight in how the estate is ran and as well as learning what they can do to help support our local natural environments. They made some amazing bird feeders that have been hung around school to attract some feathered friends!

Dojo Points

We have launched our new reward system this year. Each child will have their own 'Dojo' account, any member of staff can award the Dojo points on this, points can be awarded for things such as showing our school values, showing team work or being on task. As we move forward we will be looking to give parents access to their child's account so you can see the Dojo points your child is earning.

Well done to Alfie B (KS2) and Oli B (KS1) who have earnt the most Dojo points over the last 2 weeks.

Pupil Leadership Team

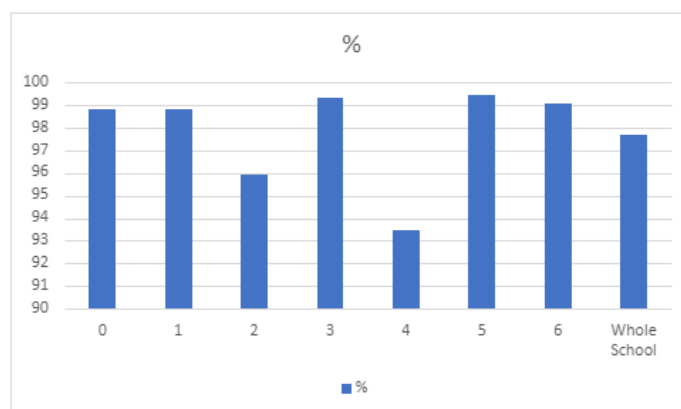

Over the last week our children have been giving speeches on why they think they would make a good House Captain and School Council member. This was a daunting task for some of our children but they did an amazing job! These children will now make up our Pupil Leadership Team who will continue to help us make our school a great place to be each day.

Outdoor Education

Please remember on the days below your child should bring in a spare pair of shoes to wear in our Outdoor Area. Over Summer we had new floors throughout school making the building an even nicer place to be each day – we want to keep them looking great!

Blackman – Monday
Morpurgo - Monday
Jeffers – Wednesday
