20th June 2025

As we creep into our final month of the school year, things continue to get exciting and fantastic learning continues throughout school! Have a read to find out what we have been up to.

Facebook

We now have a school Facebook page, Edenham C of E Primary School. Here we will be sharing various things that we get up to throughout the week and when needed we will also use it to post updates and reminders. Please give us a follow and feel free to share some of the fantastic examples of activities and learning that we have on offer.

Grimsthorpe Castle

This week Dahl Class had a trip to Grimsthorpe Castle – it was a truly wonderful morning. Throughout the morning, they were spoken to and shown around the kitchen garden by Jim before planting their own beans. They also got to meet the woodland team who spoke to them about how they look after the trees on the estate ensuring they will forever be a forest there and how important that is to our world. After a play and some lunch, the children all showed amazing perseverance hiking back to school.

Volunteers

We have had parents ask about volunteering in school, and yes, we are always on the lookout for volunteers. If you want to come into school to volunteer your services or want to come into school to support the PSA please do get in contact with the office so we can follow our procedures to ensure everyone is prepared and safe.

Phonics

As you will know early reading is something we value very highly, our Year 1s completed their phonics screening last week and did an amazing job! It really did show the true power of school and parents working together to

ensure our children get off the best start – thank you for your support with this.

Church Festival

It is fantastic that we are part of a wider community, and this was seen when our Year 6 pupils visited Lincoln Cathedral for the annual church school festival. It really showed how we are part of something bigger, and our children were fantastic ambassadors.

Sports Superstars

A huge well done to Harry who represents Peterborough Phantoms Ice Hockey Club, this year he won the 'Skills Award' for his efforts throughout the season. He has also recently been to Scotland to represent the Phantoms in a national tournament.

A huge well done to Thalia who has passed her Grade 2 Cello exam this week.

Uniform

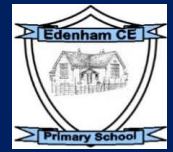

As it is clearly getting warmer now, we want children to be comfortable at school, so please do consider clothing choices in the morning after looking at the forecast. That being said, please do ensure we are sticking to our uniform policy including P.E and our Outdoor Education days when all clothing should still be appropriate for school, with shorts and tops suitable lengths.

Summer Fayre

Our Summer Fayre will be held on Friday 4th July from 3.30pm, we are very really looking forward to this event.
