Welcome to our final Newsletter of Summer Term I, we hope you have a lovely half term break and manage to enjoy time with family and friends.

Girls Golf

Darren has been with us again this term running Girls Golf sessions throughout the term. It finished in style on Thursday with him donning his Velcro suit and the girls taking aim, great fun was had by all. To finish the block of lessons the girls will be joining Darren at Burghley Golf Club this weekend to put their skills to the test.

If you are interested in getting into golf (boys or girls) and finding out more about it, contact Darren darrenmgamepga@gmail.com

Wood Chip

As always, we are continually looking to develop our various areas and grounds, we are currently on the lookout for wood chip, if you know of any companies or individuals who could help us with this please let us know.

Reading Books

We love seeing children taking books home and being so engaged in reading and wanting to share stories with their families, but there are some gaps appearing on our shelves. Over half term could you please just check to see if any schoolbooks are hiding in homes – thank you!

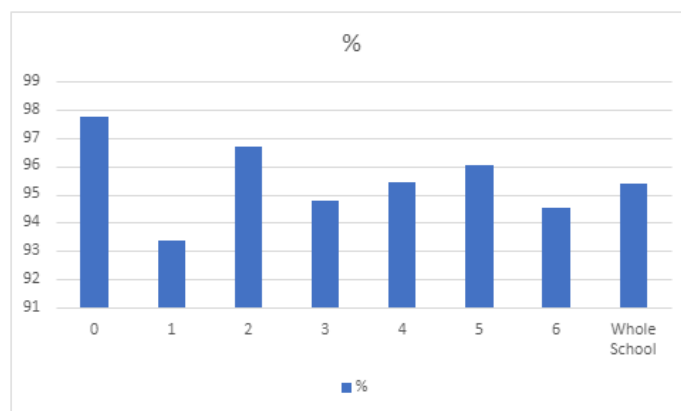

E-Safety (Gaming and Social Media)

Over half term children often spending longer than usual gaming and using social media and messaging apps, we talk to children regularly about how to do this safely. Just a little reminder about the importance of checking to see how our children are using technology. There are some fantastic resources on the NSPCC, the national college and safer internet websites.

School Uniform

As children start to grow out of their school uniform and you look to replace it you may notice on our new provider's (Shotbowl) website the blue P.E shirts are not available. We want to make things as easy as possible for our parents, so as we move forward P.E kit will be a white shirt also. Please do not think this means you have to get rid of your blue shirts and buy an extra white one, this will be a slow phasing out as uniform is replaced.
