The sun is shining, children are starting to talk about the holidays all the years learning is starting to come together, and Year 6 hoodies are being worn – we truly are deep into Summer Term now!

Young Enterprise

Blackman Class have completed their Young Enterprise project this week raising over £400! A huge thank you to them and the work they have done towards this but also to our parents across school for supporting it. As part of this children had to create a business case, a business plan consider profit and losses and product design. One child said, “I actually understand why you can’t just sell stuff now, to make a business there is a lot I didn’t know about!”. It is these little insights that we feel are truly important and prepare our children for a future they may have. Blackman Class will now be considering what they can spend the money on to make our school a better place.

Sports Day

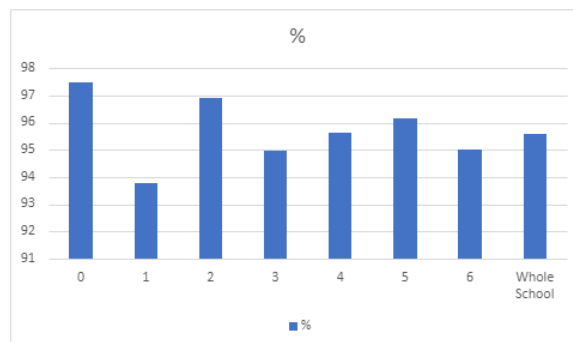

Sports Day is on Wednesday 3rd July at the Village Hall starting at 9:30am. As always, we will be keeping an eye on the weather, and regular updates will be given. Please ensure children are in correct P.E kit with suitable trainers to run in, strappy and fashion trainers can cause discomfort when running and jumping so please do consider this.

Reflection Area

You may have noticed our Reflection Area at the front of the school is starting to look a little different. Our Wednesday Club have been working really hard on making sure this is a nice area to be at break and lunchtimes. A huge thank you to local business Dan Young Landscaping and The Scaffold Company who have provided time and resources to help with this.

Attendance

This term attendance for the whole school is 97% which is really positive and has made a huge difference to lots of children learning, thank you so much for your support with this. Please do be mindful of our Attendance Policy as you start to consider holidays for next year. The adaptations to the policy regarding changes to things such as fixed penalty notices have now been place for a year, if you are unsure about anything within their please do just ask.

End of Year reports

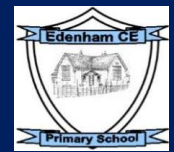

Just a reminder, as communicated previously, End of Year Reports will be coming home on Friday 12th July. This year these will be sent home electronically to both the primary and secondary contacts we have on our system. If you have doubts about the information, we currently hold for you, please do contact us to check.

Tractor into School

A BIG thank you again to Bowthorpe Farm for bringing in a tractor and discussing farming with the children in KS1. Even Miss Moylan and Mrs Wilson had fun!

Burghley House

Dahl Class had a fantastic trip to Burghley House last week. They explored parts of the house consolidating their learning about past and present and how things change over time. They then got to venture into the garden to see their learning about plants in 'real life'. It was a great experience for them.

Blackman Class Camp out

As part of our cycle of residential trips Blackman Class camped out on the school field. The children met staff at Grimsthorpe Castle before hiking back to school with rucksacks full of supplies. The evening was full of silent discos, games and of course smores before children jumped into their tents for the night. Waking up at the crack of dawn, they were in for a fun filled day of axe throwing, whack a mole and other activities giving them time to be outside enjoying time together with their friends.

Summer Fair – Sunday 7th July 1pm-5pm

Non-Uniform Day – Thursday 4th July

Teddy Tombola

If anyone has any unwanted CLEAN and in good condition teddies for the teddy tombola. Ann Warren will be running this stall. These can be either dropped off with her at the school gate or at school and Ann will pick them up.
