Thank you

As another year comes to an end there are many thank you's to give to many people who have made sure our children continue to have the educational experiences they do.

Mr Alder continues to support us in keeping our school the lovely environment that it is each and every day.

Mrs Haddow every morning makes sure our children have a warm welcome, and fully bellies at lunchtime!

Mrs Burnside and Miss Wade support staff in so many way's and are always at the end of the phone for any questions that our families have.

Mrs Wilson, Mrs Locke and Mrs Copping do an amazing job with phonics and supporting our children with their learning, they truly go above and beyond each and every day.

Mrs Robinson, Mrs Beatty, Miss Moylan, Miss Jarvis and Miss Glover – our teachers. Each day they live out our school values and do everything in their power to make support your children develop into the fantastic people that they do, bringing our curriculum to life and being a constant support for each every pupil.

Our Governors, as well as giving up their time to support events they do a lot of great work behind the scenes. Their work is so valuable to the school, and we look forward to working closely with them all again next year.

Our PSA! In particular Katie, Claire, Claire, Caroline and Laura. There is so much that goes on behind the scenes that make the events happen, providing us vital funds and resources to make sure our school continues to be a great place to be each day and also supporting the fantastic community spirit that has been shown at each event thrown.

It is also important to thank our wider community. People within the village, the church, business further afield and various organisations have all given up time, effort and finances. This helps us continue to strive to give our children everything that they deserve.

Last but certainly not least – our children. Each day they come in, usually with smiles on their faces, and give their all. Even day's that are a little grey, they still help us create a fantastic place to learn and work each and every day.

All that is left to say is have an amazing Summer, thank you so much to you for continued support - rest up and we will see you in September!
