2nd May 2025

The lighter mornings and evenings certainly seem to be putting everyone in a good mood, it wonderful to see children coming to school with an extra spring in their step! We are only 2 weeks into Summer Term and there has been so much going on already with lots more planned!

Spring Spruce Up

A huge thank you to all those who donated time and resources for our annual Spring Spruce up. We managed to achieve so much both inside and outside of school, from creating brand new resources, developing hubs and making our school an even more inviting space to come to each day. It is really hard to explain just how much we do appreciate this support.

Volunteers

It is fantastic that so many parents do want to volunteer in school and support us. If this is something that does interest you, please contact the office so we can put our procedures in place so you can be on our volunteers list. Once again, this is hugely appreciated.

Easter Service

What a wonderful way this was to start our new term! It was brilliant to see so many friends and family join us in church for this. Our children contributed brilliantly to the service with songs, poems, acting and prayers.

Homework Menus

There were some truly amazing efforts with the homework menus last term, many of which are now displayed in various areas around our school. You would have received this terms homework menu for your child, please do have a look at it and if possible, support your child in completing one of the tasks. These will be shared on the last day of term for parents and pupils to view.

Sports Day

In past years we have been extremely unlucky with Sports Day, with bad weather on multiple occasions meaning we have not been able to hold the event as we would have liked. Because of this, we are having it earlier in the year, so just a reminder that it will begin at 9:30am on Thursday 22nd May at the Village Hall.

VE Day – Thursday 8th May

VE Day this year is especially poignant as it marks 80 years since the ending of World War II. To mark this occasion on Thursday 8th May we are inviting all children to wear red, white and blue to school. We will be having a 'great British picnic' at lunch time. All those who have ordered school dinners on this day we be receiving their own little picnic box.

Skills Builder

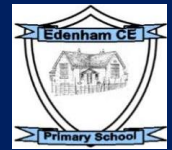

Within our Skill's Builder sessions, we have been focusing on Problem

Solving.

The children have been busy generating ideas which have then been used through their learning.

If you would like to find out more, please have a look at: <https://www.skillsbuilder.org/homezone>

Edenham's Superstars!

We always love to see our pupils succeeding outside of school as well as in. Harriet, Alexia and Izzy have done exactly that. Over a period of time they have been attending Grantham Athletics Club learning and developing new skills. Their skills were then put to the test in a number of events. All 3 pupils achieved excellence achieving gold and silver standard in a range of events. It was wonderful to hear the girls talk about their achievements with such enthusiasm.

If your child has been busy outside of school, please do let us know so we can share their successes also.

Parking

A reminder once again, under no circumstance should anybody park either on a footpath or in the Bus Stop near school. Please do take note of this and it continues to endanger those within our local community.

Allergies

Please remember, we are a nut and kiwi free school. Any snacks or items in lunchboxes should not contain any nuts (*this includes nut-based chocolate spreads or cereal bars*) or any products containing sesame seeds.
