22nd July 2022

Just like that we have reached the end of another year, a year that has been full of things to celebrate and exciting new things. As always at the end of the year it gives us an opportunity to stop, reflect and get excited about what is yet to come! We hope you have a fantastic and very restful Summer, full of time for families and friends.

THANK YOU!

It is so important to recognise the fantastic people that help make Edenham what it is.

Firstly, all of our fantastic Teaching Assistants. We are so lucky to have this fantastic team who go above and beyond every day to make sure every single child is recognised, looked after and has the attention they deserve.

Our wonderful office team are always there to support all staff with everything they need, and are always on the end of the phone or email for anything you need - once again always going above and beyond.

Mrs Haddow, ready every morning to give every child a smile and the positive welcome they deserve on entering our school.

For Mr Alder there really is no job too big or too small. He does a fantastic job in keeping the school as well kept it is, and making sure lunchtimes run smoothly.

Also, our team of teachers. They are a hugely dedicated group who are very focused on ensuring every child has the learning experiences they deserve and work tirelessly to do so.

Finally, a huge thank you must go to you, our parents and local community. A huge thank you to you all for all your support in what we do and for the open relationship that has been built between yourselves and the school to provide the best for your children.

New School Times

In light of the government guidance we will be altering our school day from September 2022. The updated guidance states that the school week should consist of at least 32.5 hours. Our drop off times will remain the same (8:45am - 9:00am), with **registers closing at 9:00am**, but home time will instead be **3:30pm**. We have communicated the changes to Red Deer Rangers.

Mrs Roberts

Today we said a goodbye to Mrs Roberts. Mrs Roberts has done a fantastic job since joining us building relationships with all our children and supporting them with all their needs. She will be greatly missed but we are sure we will remain in contact and wish her the best of luck as she moves on.

Miss Smith

For the last 18 months Miss Smith has been giving her time to support Jeffers Class each week. It has been fantastic to see he grow in confidence and decide to continue her career in education. We wish her the best of luck and are sure she will make a huge impact on the children she works with.

Year 6

Our amazing Year 6s said goodbye to us today, they have been wonderful ambassadors for our school and we are sure they will go on to achieve all their hopes and dreams in the future.

**HAVE A GREAT
SUMMER!**

The Five Bells

The Five Bells Pub has again given us permission to use the car park for drop off and pick up from the school, please do use the car park considerately. Today is their opening day and we wish them the best of luck!

Mathletics and Reading Eggs

Just a quick reminder that these resources can still be accessed over the summer and it would be great if the children can find time to complete tasks to ensure they keep practicing all the skills they have learnt so hard to develop this year.
